STANDLEUCHE FLOOR LIGHT

Aluminium LED Leuchtkopf mit fokussierbarer Glaslinsenoptik,
Flexwelle an Aluminiumrohr mit Touchdimmer, Edelstahl Standfuß

aluminium LED lamp head with focusable glass lens optics,
flexible shaft with aluminium tube and touch dimmer, stainless steel floor pedestal

Farbtemperatur colour temperature: 2.700 / 3.000 K

Systemleistung system power: 5 W

Betriebsstrom operation current: 350 mA

Lichtstrom max. luminous flux max.: 300 lm

Eingangsspannung input rated voltage: 110 ÷ 240 V

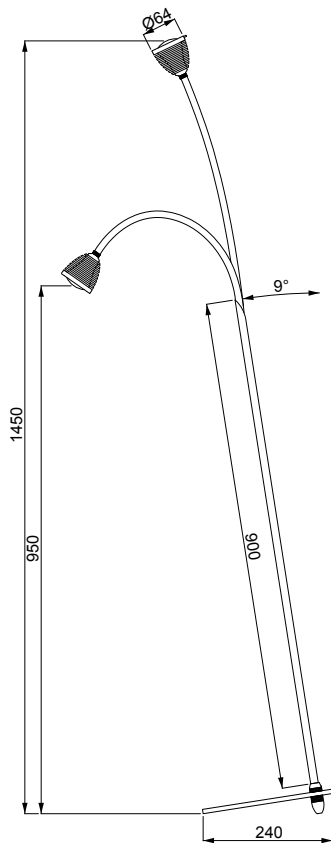

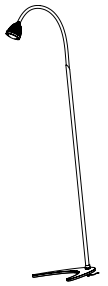

Netzteil power supply: Stecker plug

Steuerung control: Touchdimmer

Abstrahlwinkel beam angle: 25 - 100°

Farbwiedergabeindex colour index: 90 CRI

Effizienzklasse efficiency class: A+

A-SL Edelstahl Standfuß matt stainless steel floor pedestal matt

A-SL-P Edelstahl Standfuß poliert stainless steel floor pedestal polished
