## Beschreibung

This floor lamp, simple and elegant, lights up with indirect light. Its LEDs are hidden in the top part of the lamp that is a die cast aluminium crown. The LEDs glow an intense upwards beam and create a bright pattern downwards. The lamp, provided with a switch/dimmer on the stem, is light and compact making it easy to grab and move around. At the same time, this lamp guarantees the same amount of light as a 400 Watts halogen bulb.

## Materialien

Aluminium.

## Zertifizierung

CE IP20

## Anwendungen

Boden
